

ASHLEY DAWSON
Paper Dolls

Paper Dolls is located in the Terrace at Greystone Shopping Center on Highway 280. After seven years in business, Ashley has earned industry respect and client loyalty. For Ashley, offering "unique" treasures is no cliché. "For the past two years, I have really tried to research the marketplace and find products that are truly unique and exclusive." For example, Paper Dolls carries two lines of jewelry exclusive in all of Alabama - Painted Posy (funky metals), and Christy Bourns (sterling silver). In addition, Paper Dolls offers an Italian pottery line called MiMi's which is exclusive in Birmingham. Ashley makes it a point to work closely with local artists, and she is confident you'll find exactly what you're looking for. She is also proud of her current staff. "I finally have just the right mix of employees. They are competent and knowledgeable, and customers notice that." Paper Dolls offers free gift wrapping and "curb service." You can call ahead and they will have a gift wrapped, ready, and waiting for you.
